CUT TO BLACK

EXT. EASTERN FOREST - DAY (CUT SCENE) CONT'D

Nicole has made it deeper into the forest, the yells and cries of her people and the tribe members can't be heard anymore. We see Eli's legs poking out from behind a tree, Nicole bursts into a sprint towards him, taking out her POCKETKNIFE while doing so.

NICOLE
(Under her breath)
I found you, you bastard.

As Nicole sprints to other side of the tree, she becomes face to face with two tribe members tying up Eli. The two parties freeze for a moment before one of the men reaches for his spear. The other lets out a call, most likely signaling to other members of a newly found enemy. Nicole turns around ready to sprint

EXT. WEST SIDE OF THE RIVER - AFTERNOON (CUT SCENE)

Nicole drags herself up onto the shore. She looks back to the other side of the river and sees her pursuers halting before the water. The tribe members hesitate for second before deciding to head back into the forest.

Nicole begins to pass out from exhaustion. As her head hits the ground, we see a muscular man standing standing behind her. Nicole doesn't notice the man before completely going unconscious.

We get a low shot from Nicole's perspective (if she was conscious) of STEFAN (Young Adult Male, 6'2 with brown hair blue eyes) standing over here with a concerned look on his face. Stefan looks over his shoulder behind him.

STEFAN (SHOUTING)
Chief I found another one

Moments after, BRUNO LYNCH (Adult Male, 6'4 short clean brown hair and beard, blue eyes) walks into frame looking down at the unconscious women.

BRUNO

the others, it'll be dark soon.
